PROFILE

Dynamic MEP Leader with a proven track record at RSUD Cilacap, excelling in energy management and MEP coordination. Demonstrated expertise in troubleshooting and quality assurance, significantly reducing downtime. A collaborative leader skilled in fostering teamwork and problem-solving, driving project success through effective communication and strategic oversight.

WORK EXPERIENCE

RSUD Cilacap 2021 - PRESENT
MEP Leader

- Expedited issue resolution through effective collaboration with cross-disciplinary teams.
- Ensured quality assurance by conducting thorough inspections of all MEP installations and repairs.
- Reduced downtime for MEP systems through timely troubleshooting and repair of malfunctions.

PT. Supernova Flexible Packaging 2020 - 2020
Electrical Engineer

- Provided technical support to colleagues on complex issues, assisting them in finding efficient solutions to problems.
- Evaluated electrical installations and systems to isolate faults and implement corrective actions.

PT. Pamapersada Nusantara 2018 - 2019
General Service Leader

- Performed routine maintenance tasks to keep equipment running smoothly and prevent costly breakdowns.
- Promoted a positive work atmosphere by fostering teamwork, maintaining open lines of communication with colleagues, and offering constructive feedback when necessary

PT. Daun Biru Engineering 2017 - 2018
Engineering Intern

- Developed device testing modules and contributed to software testing development.
- Supported the team in a project focused on vibration analysis system development.
